

P7 Mary Poppins' Show: *Secure your seat whilst there are seats left*

Parents are advised that tickets are selling **very quickly** for the two show performances (Tuesday 21st June @ 1pm and Wednesday 22nd June @ 6pm). Once these are sold out there will be no possibility of additional seats being added due to health and safety reasons.

P7 parents/ guardians were advised that a maximum of five tickets could be bought in total across the two shows for every P7 child to allow time for all P7 parents to purchase tickets.

Please note, however, that tomorrow (Thursday) is the last day in which P7 parents will have priority and that, from Friday, parents/ guardians from other classes in the school are permitted to purchase tickets- in the event of any remaining at that point.

Ticket money must be sent into school with your child and given to the class teacher in a clearly labelled envelope marking the child's name and class as well as number of tickets and the relevant show.

There will be **no prospect** of purchasing tickets on the day/night of the show.
