

Celebration Mass for Mrs Harriott

We will be holding a special Mass at 10am in St Michael the Archangel church on Friday 16th September to mark Mrs Harriott's retirement after 50 years of service as a class teacher in St John the Baptist PS. Mrs Harriott has taught in the school since its doors first opened to children in September 1973 and many families across the parish and beyond will have fond memories of family members across generations who benefited from time spent in her classroom. Parents, guardians and parishioners are very welcome to join us for this special occasion.
