

P7 Delamont Residential Trip

P7 parents should already have completed and returned the Delamont Parental Consent form which includes a section outlining health and dietary matters. Any yet to do so must ensure these are returned on **Friday 19th May at the latest**.

In the event of identifying and listing any health concerns, you as parents/ guardians are fully responsible for ensuring that your child brings any required medication with them to Delamont (eg asthma inhalers.) Any such items should be placed in a sealed bag labelled with your child's name.

Please ensure that **all outstanding payments** are also made by Friday 19th May.

If you have any issues, feel free to contact me at 02890-614546.

Kind regards,

C Donnelly
Principal
